Hadhrat Abu Darda radhiallahu anhu reports that Rasulullah (sallallahu alaihi wasallam) said, "Indeed Allah Ta'ala sends illnesses and cures. He has made a cure for every illness . Thus, you should seek remedies (for your ailments), but do not seek cure in Haraam." [Abu Dawood]

YOU ARE NOT "UNVACCINATED"

You are Vaccine-free (it does not even qualify in scientific terms as a vaccine)

You are experimental gene therapy free

The term "un", before a word in English is usually ascribed to something negative or bad.

For example :

Unhealthy

Unfit

Unwise

Unwell

Unimpressed

Unimpressive

Unhygienic....

Bio-TransHUMAN Vax

Notice how the evil demons who are controlling this

“Continued from previous page”

narrative have labelled those who oppose their evil as “Unvaccinated”

Now see how the word free when added after something in the English language signifies :

Debt free

Fat free

Sugar free

Nicotine free

Alcohol free

Pesticide free

Smoke free

Germ free

**JABB
FREE**

In other words all things bad are equated with “un” and all things good are equated with free

Now when these evil planners sat at Davos, Switzerland, the multinational corporations and your government leaders they were busy planning all of this evil upon mankind, right down to the label that they would give to those who are aware and who resisted their evil plans to depopulate the world with their terrible dart, which they have fraudulently mislabelled as a vaccine.

Which they bear no responsibility for any of its effects, nor do they list its ingredients.

Which they have signed hidden contracts with your government which are not disclosed to you.

So to make the good people look like evil as has been predicted will happen, they label the pure blooded, intelligent ones as “UN”-vaccinated. So next time someone asks your status or ignorantly calls you “unvaccinated”, politely educate them that it is firstly not a vaccine and secondly that you are “Vaccine-free” or “Or experimental gene therapy

“Continued from previous page”

free”.

Then tell them that the following persons are all exempted from the experimental harmful dart that they have just taken :

All members of Congress and the House of Representatives including their staff, all employees of Pfizer, Moderna, Astrazenica and Johnson and Johnson, all CDC and FDA employees (yes the ones who are instrumental in the US and worldwide governments passing laws forcing you to take the harmful dart. All members of the UK Parliament and House of Lords.

So let those who proudly and foolishly walk around showing off that they've been happily and voluntarily darted that they may not be as clever as they think they are. Instead they are experimental Guinea pigs and rats awaiting a likely very severe adverse reaction in the not too distant future.

Be grateful if you are of the “Vaccine-FREE”.

Never let yourself be referred to again as the “unvaccinated”.

After all, those special employees mentioned above never refer to themselves either as the “unvaccinated”.

THEY DON'T HAVE FRIENDS, THEY HAVE INTEREST!

Never will the Jews be pleased with you, nor the Christians until you follow their way. Say: “Surely Allah's guidance, is the true guidance.” Should you follow their desires disregarding the knowledge which has come to you, you shall have no protector or helper against Allah. (Al-Baqarah 2:120)

The Prophet (*sallallahu alaihi wasallam*) said: “The people will soon summon one another to attack you as people when eating invite others to share their dish.” Someone asked: “Will that be because of our small numbers at that time?” He replied: “No, you will be numerous at that time: but you will be scum and rubbish like that carried down by a torrent, and Allah will take fear of you from the breasts of your enemy and last enervation into your hearts.” Someone asked: “What is wahn (enervation)?”, Messenger of Allah (*sallallahu alaihi wasallam*) He replied: “Love of the world and dislike of death.” (Sunan Abi Dawud 4297)

Aadaab of Speech

- A female should exercise care when speaking. She should not allow her voice to be heard by men unnecessarily. In like manner a man should not express himself sentimentally in the presence of females. It is obligatory that a man abstains from reciting poetry and expressing himself melodiously in front of females (i.e., such females for whom the Shar'i law of Hijaab applies).

- Do not mumble when speaking. Speak with clarity.

- Be to the point. Do not beat about the bush when speaking.

- Think before speaking. Sometimes a wrong statement uttered without thinking leads one to Jahannum. One will obtain salvation from this calamity by inculcating the habit of thinking before speaking.

- Do not insult anyone. Do not say to anyone: 'Faasiq, Kaafir, Maloon (cursed), the enemy of Allah, unless the Shariah brands them with a name for committing a certain deed.

- Do not be two-tongued, expressing views in the presence of a person calculated to please him, but when in the company of one holding another view, then speaking to please him.

- Never engage in gossip, slander and scandalising.

However, it will be permissible to speak contrary to fact and reality in order to restore peace and good relationship between antagonists or enemies.

- Do not flatter anyone.

- Do not become embroiled with anyone in obstinate debate and argument. When you realized that the person is not prepared to accept the truth, maintain silence. Do not become intransigent and bigoted. Bigotry is exceptionally evil.

- Abstain from statements in which there is neither Deeni benefit nor worldly benefit.

Hadhrat Moosa Alayhis Salaam

FIR'OUN, HADHRAT MOOSA AND THE TAQDEER OF ALLAH

MOOSA IN FIROUN'S PALACE

“Arrest this girl! She appears to be aware of the house where this baby was born. Undoubtedly, this is the boy who will be the cause for the demise and destruction of Fir'oun and his land.”

Allah Ta'ala fortified the heart of Moosa's(alayhis salaam) sister. Maintaining her composure, she said: “I am merely offering good advice out of sympathy for Fir'oun for the sustenance of his son. I don't know who you are nor who the baby is.” The hearts of men are in the control of Allah Azza Wa Jal. On observing the firmness of the girl, Fir'oun spoke and said to Haamaan: “She spoke out of goodwill for me. She has no relationship with the baby.” This enemy of Allah and enemy of Hadhrat Moosa (alayhis salaam) spoke up in defense of Moosa's(alayhis salaam) sister although hundreds of babies were still being slaughtered in the insane scheme to destroy the one whom the astrologers had predicted would be the cause of Fir'oun's demise. Turning to the baby's sister, Fir'oun said: “O girl, go and bring the lady who will care for the baby with affection and love.” Moosa's(alayhis salaam) sister was sent off with honour in a royal coach to bring her mother.

On reaching home, she hastily explained the position. Thus, with honour, Hadhrat Moosa's(alayhis salaam) mother was transported to the palace of Fir'oun. When she was ushered into the presence of Fir'oun, the baby was being lovingly fondled in the lap of Fir'oun. Hadhrat Moosa's(alayhis salaam) mother appeared in the presence of Fir'oun with her face covered. Fir'oun handed the baby to his wife Aasiyah (rahmatullah alayh) to pass him on to Hadhrat Moosa's(alayhis salaam) mother. The baby immediately began to drink from his mother. Fir'oun was flabbergasted. He thought: “The baby had not drunk a drop of milk for the past eight days. He had refused to be suckled by innumerable wet nurses. What could be the reason for his immediate attraction to this woman?” He then interrogated Moosa's(alayhis salaam) mother. “Woman who are you? Are you perhaps not his mother?” The pious and intelligent lady spoke with courage and said: “I am a pure and chaste woman who is fragrant with perfume. My milk is extremely wholesome and sweet. This is why your son has taken to my milk. This phenomenon is not restricted to your infant son. Bring any baby to me and he/she will react in the same way.”

Convinced by the reply, Fir'oun said: “Good, take the baby to your home and tend to him affectionately. I shall compensate you handsomely. Once a week bring him to my palace so that I and Aasiyah may cool our eyes.” With profound gratitude in her heart for Allah Ta'ala and with delight, she was returned home with her baby, Moosa (alayhis salaam). Thus, Allah Ta'ala fulfilled His promise which the Qur'aan mentions in the following aayat:

*“Then We
returned you to your mother so that her eyes be cooled and that
she does not grieve.”*

MY MEAN MOTHER

I had the meanest mother in the whole world. While other kids ate candy for breakfast, I had to have cereal, eggs or toast. When others had cokes and candy for lunch, I had to eat a sandwich. As you can guess, my supper was different than the other kids' also. But at least, I wasn't alone in my sufferings. My sister and two brothers had the same mean mother as I did.

My mother insisted upon knowing where we were at all times. You would think we were on a chain gang. She had to know who our friends were and where we were going. She insisted if we said we'd be gone an hour, that we be gone one hour or less—not one hour and one minute. I am nearly ashamed to admit it, but she actually struck us. Not once, but each time we had a mind of our own and did as we pleased. That poor belt was used more on our seats than it was to hold up Daddy's pants. Can you imagine someone actually hitting a child just because he disobeyed? Now you can begin to see how mean she really was.

We had to wear clean clothes and take a bath. The other kids always wore their clothes for days. We reached the height of insults because she made our clothes herself, just to save money. Why, oh why, did we have to have a mother who made us feel different from our friends?

The worst is yet to come. We had to be in bed by nine each night and up at early next morning. We couldn't sleep till noon like our friends.

"Continued from previous page"

So while they slept-my mother actually had the nerve to break the child-labor law. She made us work. We had to wash dishes, make beds, learn to cook and all sorts of cruel things. I believe she laid awake at night thinking up mean things to do to us.

She always insisted upon us telling the truth, the whole truth and nothing but the truth, even if it killed us- and it nearly did.

By the time we were teenagers, she was much wiser, and our life became even more unbearable. None of this tooting the horn of a car for us to come running. She embarrassed us to no end by making our friends come to the door to get us. If I spent the night with a friend, can you imagine she checked on me to see if I were really there. I never had the chance to elope. That is if I'd had a boyfriend to elope with. I forgot to mention, while my friends were dating at the mature age of 12 and 13, my old fashioned mother refused to let me date.

Through the years, things didn't improve a bit. We could not lie in bed, "sick" like our friends did, and miss school. If our friends had a toe ache, a hang nail or serious ailment, they could stay home from school. Our marks in school had to be up to par. Our friends' report cards had beautiful colors on them, black for passing, red for failing. My mother being as different as she was, would settle for nothing less than ugly black marks.

As the years rolled by, first one and then the other of us was put to shame. We were graduated from high school. With our mother behind us, talking, hitting and demanding respect,

“Continued from previous page”

none of us was allowed the pleasure of being a drop-out.

My mother was a complete failure as a mother. Out of four children, a couple of us attained some higher education. None of us have ever been arrested, divorced or beaten his mate. And whom do we have to blame for the terrible way we turned out? You're right, our mean mother. Look at the things we missed. We never got to march in a protest parade, nor to take part in a riot, burn draft cards, and a million and one other things that our friends did.

She forced us to grow up into Allah-fearing, educated, honest adults. Using this as a background, I am trying to raise my three children. I stand a little taller and I am filled with pride when my children call me mean.

Because, you see, I thank Allah, He gave me the **MEANEST MOTHER IN THE WORLD.**

Abu Huraira (*radhiyallahu anhu*) reported: A man asked the Messenger of Allah (*sallallahu alaihi wasallam*), “Who is most deserving of my good company?” The Prophet (*sallallahu alaihi wasallam*) said, “Your mother.” The man asked, “Then who?” The Prophet (*sallallahu alaihi wasallam*) said “Your mother.” The man asked again, “Then who?” The Prophet (*sallallahu alaihi wasallam*) said, “Your mother.” The man asked again, “Then who?” The Prophet (*sallallahu alaihi wasallam*) said, “Your father.” Source: *Ṣaḥīḥ al-Bukhārī* 5626, *Ṣaḥīḥ Muslim* 2548

WAI LUL LIL ARAB...

The Prophet(*sallallahu alaihi wasallam*) got up from his sleep with a flushed red face and said, “None has the right to be worshiped but Allah. Woe to the Arabs, from the Great evil that is nearly approaching them. Today a gap has been made in the wall of Gog and Magog like this.” (Sufyan illustrated by this forming the number 90 or 100 with his fingers.) It was asked, “Shall we be destroyed though there are righteous people among us?” The Prophet(*sallallahu alaihi wasallam*) said, “Yes, if evil increased.”

The treachery and malice that such rulers have shown the Ummah of Muḥammad (*sallallahu alaihi wasallam*) is undeniable. Allāh has exposed them for who they are, be they from the UAE, or Saudi Arabia or Egypt. They are a people who choose to side with the enemies of Islām wherever they may be. Wherever the Muslims are oppressed, the Ṭawāghīt are at the forefront of kissing the feet of the transgressors. They took the Kuffār as their allies and forsook the Muslims. Woe unto them, for they have lost their religion and their humanity. May Allāh hasten their humiliation and their torment!

“Give tidings to the hypocrites that there is for them a painful punishment – Those who take disbelievers as allies instead of the believers. Do they seek with them honour [through power]? But indeed, honour belongs to Allāh entirely.” - Sūrah an-Nisā’ (4) :138-9

The world continues to forget the crimes of the transgressors, genocide after genocide, refugee wave after refugee wave. The so called Muslim leaders are so concerned with the temporary Dunyā and the limited power they obtain therein. They will overlook such crimes where it suits them, thus making alliances with the criminals, and they will condemn the same crimes where there is a benefit for themselves. We saw this with the hypocrites early 2020 regarding East Turkistān, and we should expect to see such evil from them in future.

May Allāh unite the Ummah under the shade of Islām!

DEEN OVER **DUNYA**

King Louis IX of France and leader of the Seventh Crusade says:

“There is no way to control the Muslims through war or force, because in their religion there is a decisive factor, which is the factor of confrontation, resistance, jihâd, and self-sacrifice in order to protect honor and land. And with the presence of this among Muslims, it is impossible to control them, because they are always able - based on their faith - to resist and defeat anyone who tries to invade their country and that’s why another way must be found that would falsify this concept among Muslims, until it becomes a moral concept and that this can only be done by focusing extensively on Islamic thought and diverting it from its basic principles and goals so that Muslims surrender to the survival of the Western power and tame themselves to accept it in a way that is in the direction of whims, friendship and cooperation.”

An Excerpt from an article (Mawqi’
Sayd Al-Fawāid) by Sheikh Muhammad
bin Hassan Al-Mubarak

DIVORCE DUNYA

Ali bin Abi Talib (*radhiyallahu anhu*) addressing the world he said, “O world! Are you trying to deceive me? Are you staring expectantly at me? Get away! Get away and use your charms on someone else because I have divorced you thrice. Your life is short, your company is demeaning and people easily get into trouble because of you. Oh dear! Oh dear! The provision (for the journey to the Akhirah) is meagre, the journey is long and the road is frightening”

4 Types of Blessings

1. Ones you already have and know them and are enjoying them.

Due to our faulty ways of thinking, we see these blessings as few and insignificant, which leads us to not thank Allah for them.

2. Ones you hope for - there are a lot of these.

3. Ones you already have but don't know it nor recognize it as blessings - these are a very large number.

Allah says regarding these

“And if you should count the favors of Allah, you could not enumerate them.” (Al-Nahl: 18)

“Continued on next page”

“Continued from previous page”

Just because we can't recognize them does not mean we don't have them. Each and every one of us has been given countless blessings from Allah.

4. Ones you didn't even think of but Allah will give them to you.

There are so many things we need all the time but never ask Allah for them for whatever reasons, but Allah keeps on providing them for our benefit.

Allah knows what is best for us. What He plans for us is better than what we plan for ourselves.

Ibn Abbas (radhiyallahu anhu) said, "A time will come upon the people when one's main concern will be (satisfaction of his) stomach; Deen will become hobby, And the tongue will become his sword."
